Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 03 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling warm with heavy and locally thundery showers.

Today:
A cloudy start with outbreaks of heavy showery rain, with some intense bursts through the morning. Sunny spells develop for the afternoon, with scattered showers then forming, these heavy and potentially thundery at times. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Tonight:
Daytime showers gradually fade away through the evening, with some late spells of sunshine. Overnight, plenty of clear spells before some patchy cloud spreads from the southwest. Minimum temperature 13 deg C (55 deg F).

Sunday:
Patchy cloud to start before heavy, locally thundery showers readily develop through the morning and continue through the afternoon and into the evening with warm sunny spells in-between. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Sunny spells with showers early Monday, before turning cloudy with outbreaks of heavy rain later. Windy with outbreaks of rain on Tuesday. Some sunny spells and blustery showers on Wednesday.
